Capabilities Statement

About Us

ExecuPOWER is a full-service, certified WBENC women-owned engineering, construction management, and project management consulting firm specializing in the design of Power Delivery Services throughout the United States. Our highly experienced and knowledgeable in-house management team and Subject Matter Experts (SME's) are dedicated to building solid client relationships based on sound civil, structural, geotechnical, and electrical engineering principles.

- Certified Women-Owned Business: Recognized by Women's Business Enterprise National Council (WBENC) and Women Owned Small Business (WOSB)
- Locally Owned Small Business
- In operation since 2016
- Over 220 employees nationwide
- Experience designing projects up to 500 kV
- Impeccable Safety Record: 0-0-0 safety infractions
- Sustainability Focus: Proud member of the Sustainable Supply Chain Alliance (SSCA)
